

Dylan Flinchum Foundation

HELPING FAMILIES FIGHT MLD

Dear Sir or Madam:

On Saturday, May 13, 2023, **The Dylan Flinchum Foundation** will be hosting its 12th annual Dinosaur Stomp 5K Run-Walk and Family Fun Day.

Dylan Flinchum was the beautiful son of Mike and Melissa (Larsen) Flinchum. In August of 2011, Dylan was diagnosed with a rare, degenerative brain disease known as **Metachromatic Leukodystrophy (MLD)**. Dylan passed away on November 11, 2021 at the age of 12 after a heroic battle.

We continue to remember and honor Dylan by providing relief, support, and assistance to families with children affected by MLD and other life-threatening medical conditions. We hope that you will join us to continue to bring further awareness to this horrible disease as we raise funds in Dylan's memory.

The strong sense of community is the backbone of the Dylan Flinchum Foundation and has always been important to Dylan's family. Since Dylan's diagnosis, the outpouring of love and support from the community has been overwhelming.

As a local business and a vital part of our community, we hope you will consider sponsoring this event.

The Dylan Flinchum Foundation is a 501(c)(3) nonprofit organization (tax ID: 45-3093145), which means your donations are tax-deductible.

If you would like to sponsor, please see attached sheet with sponsorship tier information and return the bottom portion of the form to the address provided. If you have any questions or would like to provide sponsorship information through email, please contact us at dylanrockon@yahoo.com.

The sponsor deadline is April 15, 2023. We appreciate your time and consideration and hope you are able to participate in this great event for a great cause.

With best regards,

The Dylan Flinchum Foundation
