

Dear Charitable Supporter:

The Dylan Flinchum – Rock On – Foundation will be hosting their Pasta & Prizes Tricky Tray Dinner on Saturday, November 25th at the St. Jude Parish Center in Hopatcong, NJ. In Dylan’s memory, proceeds will help provide assistance to children and families affected by Metachromatic Leukodystrophy (MLD) and other life-threatening medical conditions. Money raised from previous events allowed us to provide care packages and holiday gifts to Goryeb Children’s Hospital in Morristown NJ, sponsor the MLD Foundations annual conference, support the Make a Wish Foundation, provide financial support for equipment and medical needs, assist families with medical and funeral expenses as well as many other donations directly to the children dealing with these horrible diseases. This year our goal is to donate money toward newborn screening, support our MLD community, grant more wishes through the Make-A Wish Foundation, and still provide financial support to local families whose child is fighting to beat these terrible illnesses.

Please help us make this event a success by providing a donation to be auctioned. Monetary contributions, products, services, and or gift cards would be greatly appreciated. If you or your company choose to make a monetary contribution, checks should be made payable to “The Dylan Flinchum Foundation”. Donations will be recognized in our printed program and are tax deductible. Our EIN is 45-3093145. We ask that all donations be received by Friday, November 3rd, to allow for inclusion in our printed program.

The Dylan Flinchum – Rock On – Foundation was founded in 2011 after Dylan Flinchum was diagnosed with a rare genetic disease called Metachromatic Leukodystrophy at the age of 2. The foundation was initially set up to help the family deal with the many expenses that came with this disease and to allow the family to make special memories with Dylan. Dylan succumbed to the disease on November 11, 2021 at the age of 12. In 2022 Dylan’s parents, Mike & Melissa, decided that they wanted to keep the foundation but now use it to help others. Their mission is to keep Dylan’s memory alive by providing relief, support and assistance to families with children affected by Metachromatic Leukodystrophy and other life-threatening medical conditions by helping to raise awareness and providing financial support. They have resolved to help others in need through this foundation, as they received invaluable assistance during their fight.

You can visit www.dylanrockon.org for more information.

Thank you in advance for your support!

Best wishes,

The Dylan Flinchum – Rock On – Foundation

If you wish to make a donation, please complete the form on the next page.

KINDLY COMPLETE AND RETURN THE INFORMATION BELOW WITH YOUR DONATION

Donations can be sent to: Melissa Flinchum, 275 Cheyenne Road, Lafayette, NJ 07848
